## BAD ACCIDENT AT LATONIA

JOCKEY CARL GANZ SUFFERS A SKULL FRAC TURE WHEN HIS MOUNT FALLS.

Mack Garner Falls Also but Escapes Unhurt-Th Grader Wins from Schemer-First Degree Shocks His Followers-Olga Star Changes Owners.

Cincinnati, O., October 11.—The running of the opening race at Latonia today, a mile dash with thirteen maidens starting, was attended by a mishap that may result fatally for jockey Carl Gauz, who had the mount on E. R. Bradley's Beach Comber. The latter was in a prominent position just before rounding the first turn, where he fell. A moment later Malheur, on which Garner had the mount, fell over the protrate horse and rider. Garner emerged from the mixup unscathed, but Gauz remained motionless where he fell and was carried to the Jockeys' quarters. After a superficial examination he was rushed in an unconscious state to a nearby hospital. His injuries are said to be of a grave nature. The early examination disclosed that he suffered a hard blow at the base of the brain, which caused a bad fracture of the skull. Rumors of the rider's death, which came frequently during the afternoon, were unfounded, but cast a gloom over the horsemen and spectators. Gaftz is a loopular rider and is regarded as one of the best in the country. The stewards at once began an investigation to place the blame for the fall. It was the general opicion of those in a position to observe the mishap that it probably was due to Beach Comber cuffing bilmself and bringing about his own fall on account of his awkward action. Jockey Goose, brother of the hurrider, obtained permission to cancel his engagements for the rest of the afternoon and accompanied his brother to the hospital.

Summerlike weather and a well-balanced card served to attract another big gathering to the track. The sport was again keen and in several instances the finishes were highly exciting.

The handicapa at one mile and seventy rards resulted in a nose verdict for The Grader over Schemer, with Dr. Larrick and Grover Hughes was given a poor ride by T. Henry, that rider forcing the horse to lose much ground by going wide for the entire way.

An outstanding disappointment of the afternoon came in the third race when First Degree, an overwhelming first choice, failed to run

winner.
Favorites and second choices fared well during the afternoon on the whole and the majority of those speculatively inclined were well rewarded.
The first runup in a long time came after the last race, when Olga Star was advanced \$500 over an entered price of \$400, and bought by J. H. Stamper, Jr. The bidding was in retaliation for Mr. Milam's bidding on Broom Flower when she won at Lexington.

Mr. Miam's bidding on Broom Flower when she won at Lexington.

As an added feature for Wednesday, October 20, which will be ladies' day, a special handicap at one mile for two-year-olds, \$1.000 added, is being arranged. It is designed to bring the better grade of youngsters into a contest. The race, being a special event, does not come under the government of the three-horse rule and the secretary can use his discretion as to letting it go, in the event of a limited number of entries.

The following have been granted trainers' license by the Kentucky State Racing Commission: W. T. Overton, S. J. Kelly, Edward Moore, T. Luckey, A. F. Dayton, W. Walker, H. T. Rooney and W. A. McKinney.

E. R. Bradley today received a dispatch from trainer Cliff Hammon, now in England, to the effect that he had purchased three broodmares and two fonds that he will have shipped to this country shortly.

## THIRTY LEADING MONEY-EARNING TWO-YEAR-OLDS OF 1915

Dominant is still first and Thunderer second among the two-year-olds of this year in the important item of money won. Both have retired until the racing of 1916 calls on them to reveal their form as three-year-olds, but none of their age is likely to displace them from their present eminent standing. They are really high-class two-year-olds and it is to be hoped a better fortune awaits them than fell to last year's stars, Pebbles, Comely and others of the great Butler band of two-year-olds of 1914. George Smith and Bulse are nearest to them in earnings, the former being still in racing, while Bulse has been sent into retirement to last over the coming winter. Blackie Daw has been a good colt this year and should add to his total before the Latonia meeting closes. The records of the thirty leaders are now:

A. L. Austin now has eleven horses at the Latonia track. Three of these, Schemer, The Spirit and Cliff Stream, are owned by N. Macfarlane, a wealthy turfinan of Montreal, Can., who was racing his horses in Kentucky this year for the first time. The other members of this stable, all of which are owned by Austin, are Indolence, Commonada, Milestone, winner of the recently run Golden Rod Stakes at Churchill Downs; Gypsy Blair, Tito, Investment and two yearlings, both by The Commoner. One is a bay filly out of Miss Alice and the other a black filly out of Lady Eastman. This is the biggest stable that Austin has ever campaigned and this has been one of his best years on the turf as an owner and trainer.

## ST. LEGER WINNERS OF RECENT YEARS.

New Orleans, October 11.—At a special meeting of the Business Men's Racing Association directorate Friday \$500 was subscribed to Mayor Behrman's relief fund for the storm sufferers. The meeting was held at the De Soto Hotel. Judge Joseph A. Murphy, who will again preside in the Fair Grounds stand, presided.

It was decided, in view of the extraordinary demand for stable room for the winter meeting commencing January 1, to increase the stable room at the grounds to 1,000 stalls.

Manager Murphy announced his staff of officials for the winter as follows: Joseph A. Murphy, presiding judge and manager; Joseph A. Murphy, presiding judge and manager; Joseph McLennan, associate judge and racing secretary; J. B. Campbell, associate judge and clerk of the scales; A. B. Dade, starter; Herman Conkling, patrol judge and jockeys' agent; John Carey, paddock judge; Dr. H. L. Jensen, timer; A. P. Page and H. L. Block, auditors; Charles Waltring, chief of stakeholders; Dr. Emile Block, physician.

This is practically the same staff as last year, except that Herman Conkling has been added as patrol judge and jockeys' agent. Conkling is one of the officials under the jurisdiction of the Eastern Jockey Club, and will take direct supervision of the jockeys, who will be made to conform to a strict standard of discipline.

The demand for stable room is becoming a serious problem. The applications are reaching the Business Men's Racing Association from many different channels. W. T. Wagoner, of Hanna, Oklan, applied through the Association for Commerce; G. L. Hart, of Chicago, through the St. Charles Hotel, and many merchants are receiving letters, asking them to apply at the proper source.

## CURRENT NOTES OF THE TURF.

The correct time of race 23502 was 2:181/2 and of ace 23508 was 1:433/2.

It is stated that L. McCreery has purchased from P. Murphy the filly-foal by Orby out of Fairlyland for \$5,000. The yongster is a sister to Laramie, one of the best two-year-old fillies of this year in England.

land.

It is said that yearlings bought at the Newmarket September sales by R. S. Sievier "for an American" were bought for R. T. Wilson, or New York. If so Mr. Wilson has probably secured some young horses well worth owning. Sievier, being held to be one of the best judges of young stock in England. The Desmond—Ardent colt. Santoi—Cornfield colt and Roi Herode—Sago colt were all highly commended by competent critics at the time of the sales.

Charles T. Patterson, who went to England several weeks ago to purchase yearlings for C. K. G. Billings, has arrived in New York and the horses are expected tomorrow. The yearlings that were purchased by R. S. Sevier, for an American, were for R. T. Wilson.

Jockey McDermott, who had the mount on Prohibition, escaped with a few scratches.

T. J. Shannon, trainer for Edward McBride, will leave for Lexington Saturday to look over the yearlings at the Idle Hour Farm on which Mr. McBride obtained an option some time ago. In the event of McBride taking over the yearlings, they will be sent to Louis Tauber, who will break them before shipping them to Baltimore to be wintered.

C. F. Flynn, assistant manager of the Cuba-American Jockey Club, and C. Vautrain, also connected with the Cuban association, are recent arrivals from Havana. Mr. Flynn finished considerable of the improvements on the Havana course before leaving Cuba. Some 1,500 palms, bananas and other topical trees were set out and a number of flower beds were constructed. A layer of twelve inches of sand has been placed on the track, which has also been entirely regraded. The grounds about the stables have also been laid out with driveways and Oriental Park is now one of the show places of Marianao.

GENERAL NEWS NOTES OF THE DAY.

Secretary Lansing reported formally to President Wilson yestershay the proceedings of the last session upon recognition for the Carrauza party as the defacto government in Mexico. The approval of the first-anned governments is expected momentarily. The next step to be taken by the United States will be decreased. It is expected to be extended this week, possibly through formal notification to Elisso Arredondo, Carrauza's official agent there. Prohibition of shipment of arms to factions opposed to Arredondo, Carrauza's official agent the reposed to the recognition of shipment of arms to factions opposed to Arredondo and the supporters of the city of Belgrade has been destroyed by 6,000 Austro-German shells and the fighting continues, according to an Athens dispatch to the saws: The text of the declaration which the governments of the conference in the conference of the conferen

According to information obtained from the superters of Venizelos, who controls a majority of the chamber, he will attempt to avoid a fresh crisis, but is unwilling to assume responsibility for the policy of the Zaimis cabinet. The liberal party, therefore, will assist the government to obtain a quorum and will facilitate legislation, but is not disposed to grant the government a vote of confidence. The view is entertained in diplomatic and other official quarters that the operations in the Balkans have as a sequel to the French successes in the Chambague and the manner in which the Russians have prevented envelopment of their armies. Germany and Austria, according to this view, are compelled to seek a new field of effort toward the accomplishment of decisive results, as well as for the attempt to break through the enveloping ring of the allies.

From Panama a dispatch says: A careful survey of the slide area in the Galliard cut reveals the fact that there are probably 10,000,000 cubic yards of earth in motion, which must be taken out by dredging operations before a permanent channel through the cut is possible. The canal engineers concede little hope of opening the water way, even temporarily, much before the first of the year.

other routes,

Says a dispatch of yesterday from Berlin: The German effort to capture Dvinsk, on which Field Marshal von Hindenburg is now concentrating his efforts, has made further important progress. The war office has aunounced the capture of Russian positions over a front of nearly five miles, north of the railroad running west from Dvinsk. A violent Russian attack west of the city in an endeavor to regain the positions lost when the Germans last week made a gap of three miles in the Russian line was repulsed. On the fighting in this region six officers, 750 prisoners and five machine guns were captured. General von Linsingen's army took by storm the village of Siniezie, southwest of Pinsk, Several Russian attacks on the front between Rafalovki (fifty miles south of Pinsk) and the railroad running from Royno to Kovel were repulsed and 333 Russians were made prisoners. General von Bothmer's army repulsed strong Russian attacks northwest of Tarnopol.

The French official report of yesterday says:

repulsed and 333 Russians were made prisoners, General von Bothmer's army repulsed strong Russian attacks northwest of Tarnopol.

The French official report of yesterday says: There has been reported during the night nothing more than fairly severe bombardments on the part of the artillery of the enemy at a point to the north of La Scarpe and in the Champagne district, against position to the rear of our line, as well as in the region of Souain. Everywhere our batterles made efficient reply. Further information confirms previous reports that the violent counter attacks delivered by the Germans during the last few days against the British and French fronts in front of Loos and to the north of this point have resulted only in a grave and costly check. The principal assault was delivered by an effective force of between three and four divisions, which was completely repulsed and dispersed. The number of dead left by the enemy on the ground in front of the lines of the allies is estimated at a total of between 7,000 and 8,000 men.

An official statement yesterday from the war office at Berlin says: Attacks by the Austro-German forces which are invading Serbia are proceeding to the south of Belgrade. Further battles developed on the Drina, on the front between Sabay and Grand Isle. The crossing of the Danube has been completed. South of Belgrade, the heights between Zarkowo and Mirijewo have been captured. Further south the attack is proceeding. The Anatem, a position in the bend of the Danube near Orzova, local artillery fighting is taking place, Thus for German troops have taken prisoner fourteen officers and 1.542 men. They have captured eleven cannon, including several heavy ones, and five machine guns.

Chicago's first dry Sunday in forty-three years passed off yesterday with hardly a ripple of expression of the careful and the cannon including several heavy ones, and the machine guns.
